BLACK - DRAUGHT STOCK and POULTRY MEDICINE

Stock and poultry have few troubles which are not bowel and liver irregularities. Black-Draught Stock and Poultry Medicine is a bowel and liver remedy for stock. It puts the organs of digestion in a perfect condition. Prominent American breeders and farmers keep their herds and flocks healthy by giving them an occasional dose of Black-Draught Stock and Poultry Medicine in their food. Any stock raiser may buy a 25-cent half-pound air-tight can of this medicine from his dealer and keep his stock in vigorous health for weeks. Dealers generally keep Black-Draught Stock and Poultry Medicine. If yours does not, send 25 cents for a sample can to the manufacturers, The Chattanooga Medicine Co., Chattanooga, Tenn.

ROCHESTER, GA., Jan. 30, 1902.
Black-Draught Stock and Poultry Medicine is the best I ever tried. Our stock was looking bad when you sent me the medicine and now they are getting so fine. They are looking 20 per cent. better.

KILLS GERMS OF CATARRH

Hyomei Goes to the Root of the Disease and Makes Astonishing Cures.

Catarrh cannot be cured by the use of pills, liquid medicines and so-called system tonics. Under such treatment the germs of the disease will still live in the air passages and increase and multiply.

Hyomei is the only scientific and thorough way to cure catarrh. Killing the germs in the air passages, it enters the blood with the oxygen, destroys the microbes in the blood and effectually drives from the system all traces of catarrhal poison.

Probably the strongest evidence that can be offered as to the powers of Hyomei to cure catarrh is the fact that Penny will agree to refund the money if you say Hyomei has not cured you.

The complete Hyomei outfit costs but \$1 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomei. The inhaler lasts a lifetime, and if one bottle does not cure, an extra bottle of Hyomei can be obtained for 50 cents.

Midshipman Guy C. Freeman, of Kentucky, has resigned from the Naval Academy at Annapolis.

To Our Patrons!

After assuming the office of manager of the Stanford Water, Light & Ice Co., I find a great many leaky yard hydrants that are proving a great expense to the company in the waste of water and I respectfully urge all patrons whose hydrants are out of gear to repair same at once, or I will be compelled to cut the water off until the hydrant is repaired. All patrons who have sprinkling privileges are earnestly requested to use the water only in front of their property (and not outsiders) all that is absolutely necessary, but the water contracted for with the Company is not for the purpose of making mud-holes and such like. If any person is found violating these rules, I will be forced to cut the water off.

Your attention is invited to some of the Stanford Water, Light & Ice Co.'s rules and regulations as follows: All water and light rents must be paid quarterly, in advance, on the 1st day of January, April, July and October. For willful or unreasonable waste of water, the supply of water will be stopped. No one will be allowed to supply water to other families. All persons are required to keep stop cocks and private hydrants in good repair and protected from frost and prevent any unnecessary waste of water. The Company agrees to furnish water for a certain specified use for a certain sum, persons using water for any other purpose than that stated in receipt, will be required to pay full price for water furnished. Free access to all pipes and fixtures must be had for examination by the Manager of Company. For the violation of any of the above rules or non-payment of rent, the company reserves the right to turn off the water without notice.

An Ordinance passed by the City Council makes it a fine of five dollars to hitch a horse or other animal to any fire plug or hydrant.

All persons knowing themselves indebted to the Stanford Water, Light & Ice Co. to July 1, 1904, for water and lights, are requested to liquidate their account at once, as the Company needs the money. I will be at Penny's Drug Store every day between 9 and 10 o'clock a. m. to receive your water and light rent.
